OXANA THEIS

FRONTEND WEB DEVELOPER

Tel : +33 7 66 86 89 48
Mail : otheis@protonmail.com
Portfolio : https://oth21dev.github.io/portfolio/
GitHub : https://github.com/OTH21DEV
Linkedin : https://www.linkedin.com/in/oxana-theis-417922158/

As a detail-oriented Frontend Developer, I leverage a knowledge in full-stack technologies to build responsive, accessible websites. Skilled in React and familiar with backend frameworks, I pride myself on crafting compelling user experiences.

SKILLS

Technical skills : JavaScript ES6, TypeScript, HTML5, CSS3, React, Redux, Node.js, Bootstrap, Sass, Express, Recharts library, MongoDB, MySQL, Figma, Gimp, Swagger, JSDoc, GitHub, Heroku, Command line tools, package managers.

Soft skills : effective communication, problem solving, teamwork, time management, customer focus, attention to detail, adaptability, negotiation, continuous learning.

Languages: English , French, Russian

RELEVANT PROJECTS

Corporate social network - Fullstack development
https://corporate-social-network-902adf387c2e.herokuapp.com/

- Developed a full-stack corporate social network using Node.js, Express, MySQL, and React
- Engineered RESTful APIs and efficient database management for robust backend functionality
- Integrated Cloudinary for media upload, storage, and optimization
- Implemented responsive front-end development with React for a seamless user experience
- Utilized Git for version control within a team environment

Search engine - Frontend development - Vanilla Javascript
https://oth21dev.github.io/OxanaTheis_7_02012022/

- Developed a search engine interface using Vanilla JavaScript for frontend development.
- Crafted clean, maintainable, and standards-compliant HTML and CSS code.
- Devised dynamic and responsive UI components without reliance on libraries or frameworks.
- Implemented complex search algorithms to deliver relevant results swiftly.

EXPERIENCE

05.2023-12.2023 Purple Core Engineering - Frontend web developer Trainee, Remote -
United States, Wyoming

- Developed IOCs monitoring interfaces using React, JavaScript, HTML, and CSS.
- Built reusable components and managed state with React's modern features.
- Implemented responsive designs with advanced CSS for a seamless user experience.
- Created real-time system performance tools, integrating them with backend APIs.
- Visualized data using charting libraries and optimized application performance.

2011-2022 Telkea Group - Account manager - Luxembourg, Luxembourg
2010-2011 World Trade Center - Account manager - France, Metz
2006-2008 PSK Logistics - Account manager - Russia, Saint-Petersburg

EDUCATION

2023 - Application developer - OpenClassrooms
2010 Master Degree of Management - **Business institute**
2006 Master Degree of Management - **University of Economics and Business**
